TO THE IEEG REPRESENTATIVES OF ALL MEMBER STATES

**Subject: Application dates for the baseline report under Article 22(2)<sup>1</sup> of the Industrial Emissions Directive 2010/75/EU (IED)**

Dear Colleagues,

Following questions on the above subject raised by Member State representatives, I hereby present you the position of the Commission's services.

Please note that it is the prerogative of the European Court of Justice to give definitive legally binding interpretation of the Directive.

*1. New installations*

The **baseline report** shall be established by the operator **before starting operation**.

*2. Existing installations already covered by the IPPC Directive*

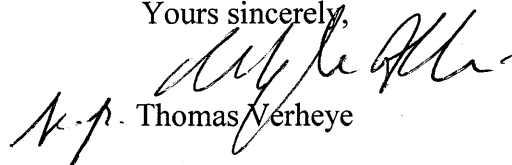

The **baseline report** shall be established by the operator **at the first update of the permit after 7 January 2014**.

*3. Existing installations not covered by the IPPC Directive*

The **baseline report** shall be established by the operator **at the first update of the permit after 7 July 2015**.

The Annex to this letter serves as an illustration of the above-mentioned dates.

Yours sincerely,

  
N. p. Thomas Verhey
